

VOLUNTEERS are the lifeblood of our organization's success.

Skills and talents are needed on every level ~ business knowledge, event support, public speaking, funds distribution and office support are just a few examples of where your help is valued and needed.

- **DAY OF CARING** - The Col. Gerald Russell - PNC Bank -Centre County United Way Day of Caring is a great way to help non-profits throughout Centre County. Just a few hours of help on this day provides lasting impacts in our community. This event is held each year on the first Thursday in October.
- **FUNDS DISTRIBUTION** - Our community relies on volunteers to act as stewards for funds allocated to partner agencies and to ensure that the donated dollars are spent where they are needed in the most efficient way possible. Volunteers are needed for appx 8 hours during March and April each year.
- **TASTE OF THE TOWN** - Once the signature fundraising event for The Aids Project, a former partner agency, Taste of the Town features more than 30 local-food and beverage purveyors who donate their goods to help raise funds for United Way. Attendees are treated to a wide variety of cuisine and entertainment. Event is held in November or December.
- **TRASH TO TREASURE** - T2T is an annual summer sale of gently-used and new items donated by PSU students living in University Park's residence halls. Sorting, planning, directing and moving more than 60 tons of donated items and saving them from the landfill, requires organization and energy throughout the month of May. The Winter Trash to Treasure is a fun way to get a look "behind the scenes" at the Penn State University Student United Way and the value they bring to our community.
