2019 Event Sponsorship Menu

A Gathering to Sample Local Cuisine and Support the Centre County United Way Partner Network
Dear Friend -

Thank you for considering a sponsorship of Taste of the Town.

As a sponsor, you will reach hundreds of people who will attend the event and thousands who will view advance advertising as part of our social media, print and radio outreach.

Through our marketing efforts we typically reach over 155,000 people living and doing business in central Pennsylvania.

In addition to benefiting your business with exposure in our community, your sponsorship will benefit people like single parent Hannah, who needed help preparing her disabled sons Aaron and Daniel for kindergarten. They were enrolled in Centre County United Way programs and connected to other county support systems that allowed them to receive speech therapy and learn life skills such as being polite and kind and following directions. They also received intensive instruction in getting-ready-to-read activities and pre-math. Hannah received education in parenting and budgeting skills, which included shopping wisely for nutritious food. All three demonstrated marked improvement in each of the programs in which they participated.

Your sponsorship has a direct impact on improving lives for people like Hannah and another 41,000 people registered in Centre County United Way programs.

Please join us for a night dedicated to our commitment to Living United while Advancing the Common Good in Centre County.

Sincerely,

Beth Shaha
Special Events Coordinator
Centre County United Way
LIVE UNITED™

Living United by assuring access to quality education, financial stability, and physical and emotional well being.

The first Taste of the Town event was held in 1997. The original founder describes this event as an experience which was born out of love for individuals in need. Originally the event was the major fundraiser for The AIDS Project. In 2011, that organization closed and gifted the event to CCUW. Today, Taste of the Town is the signature event for CCUW.

Taste of the Town is an inclusive community project that is supported by area businesses and residents. Attendees enjoy a great social experience, signature cuisine, and specialized auction gifts.

Centre County is a crossroads for wholesale, hospitality, and retail businesses. The area is an Innovation Corridor that features entrepreneurial strengths of advanced manufacturing, retail, hospitality, healthcare, and education. The over 2000 companies in Centre County are leaders of national industry and produce home-grown technologies.

Sponsors of this event will be exposed to a diverse population of consumers and entrepreneurs. A further benefit will be exposure to over 30 restaurants, as well as numerous local retailers and artisans.
Target Market
Centre County United Way is a non-profit that provides support to all of Centre County, as well as parts of Blair, Huntington, Clearfield, and Clinton Counties. Our target market is within Centre County and reaches over 155,000 county residents.

Previous Attendance
Attendance for 2018 was 425 guests.

Age and Financial Range of Individuals Who Attend
This event attracts individuals age 24 and over. Median income is $50,410.

Marketing Plan

Print
- Logo on print advertising for the event that will be displayed at all participating restaurants*
- Pre and post event advertisements in Centre Daily Times and Centre County Gazette*

Social Media
- Link from CCUW webpage
- Mentions on CCUW social media
- Ticket give-a-ways
- Over 16,000 impressions on Facebook

Radio
- Radio ads focused on event, corporate sponsors, food and auctions
- Radio tickets give-a-ways

This marketing plan is based on your sponsorship level. Advertising begins in early August. We will include you in all advertising that occurs from the day you submit your sponsorship through to the event date. Thank you.
